- Banking and FinTech
- Commodity, Shipping Finance and Risk Management
- Corporate Finance
- Corporate Governance and ESG
- Finance and the Real Economy
- Financial Econometrics
- International Finance
- Mathematical Finance

REF 2014
Our REF 2014 results place us 6th in the UK: this highlights the world class quality of Bayes Business School research and recognises the impact it has on business and policymakers.

STUDENTSHIPS
We offer up to 6 PhD studentships in Accounting and Finance, comprising tuition fees and a maintenance grant of £16,057 per annum for four years, starting in October 2022. Studentships also offer funding for conference attendance over the four years.

COURSE STRUCTURE
The PhD track lasts 4 years with first year students taking taught modules across a range of topics as well as in research methodology. Years 2 to 4 are devoted to working on the PhD dissertation; further training includes reading groups in specific research areas, workshops on presentation skills and academic writing, student seminars in our yearly Finance PhD Research Day, and intense pre-job market training.
