COURSE STRUCTURE

The PhD track lasts 4 years with first year students taking taught modules across a range of topics as well as in research methodology. Years 2 to 4 are devoted to working on the PhD dissertation; further training includes reading groups in specific research areas, workshops on presentation skills and academic writing and intense pre-job market training. Please refer to www.bayes.city.ac.uk/phd/finance

Our faculty includes an outstanding array of scholars, all of them at the forefront of the academic debate in their areas. Together, they form a vibrant and well-integrated intellectual community, where collaborations and exchanges across fields are common.

THE RESEARCH EXCELLENCE FRAMEWORK (REF) 2021

The REF 2021 rated Bayes 5th in the UK for Business and Management research. In total, 92% of our research was rated as world-leading (4*) or internationally excellent (3*). This highlights the world class quality of Bayes Business School research and recognises the impact it has on business and policymakers.

STUDENTSHIPS

We offer up to 6 PhD studentships in Accounting and Finance, comprising tuition fees and a maintenance grant of £20,662 per annum for four years, starting in October 2024. Studentships also offer funding for conference attendance over the four years.

A PhD studentship award is also available for Black British students as part of our initiative to address the significant underrepresentation of Black British students in postgraduate research and throughout academia.
